Subject: Dioxin/Furan core maps

Kristine –

One of the action items from the 2/12 meeting with EPA was for Anchor QEA to provide maps showing the cores with dioxin/furan data in the SDUs where dioxin/furans are listed as a Primary COC in the 3/27/2014 table provided by EPA. Maps are attached, and a count of cores in each SDU is listed below:

- RM5.5E – 7 cores
- RM7W – 49 cores
